I SIT AT THIS HARD WOODEN DESK QUIETLY
LIKE AT MASS. THE VOICE DRONES ONWARD
IN FRONT OF THE CLASS TRYING TO REVEAL
SECRETS OF KNOWLEDGE TO ME
BUT IT SLOWLY JUST BECOMES THE ROAR OF THE SEA.

**MY MIND FLIES OUT THE WINDOW TO THE GREY BLUE SKY
AND THERE I FIND A SEAGULL
SITTING ON A SOFT CLOUD —**

**"HAND IN YOUR PAPERS" I HEAR THE OCEAN CRY
THE SKY TURNS BROWN
THE CLOUD TURNS TO AIR
AND I FALL DOWN
INTO THIS HARD WOODEN CHAIR.**

WE THE GRADS

OF THE CLASS OF '76", IN ORDER TO FORM A MORE PERFECT CLASS, ESTABLISH GOALS, INSURE LASTING MEMORIES, PROVIDE LEADERSHIP, PROMOTE HAPPINESS, AND SECURE THE BLESSINGS OF LIBERTY TO OURSELVES AND OUR UNKNOWN FUTURE.

WE THE Good Times

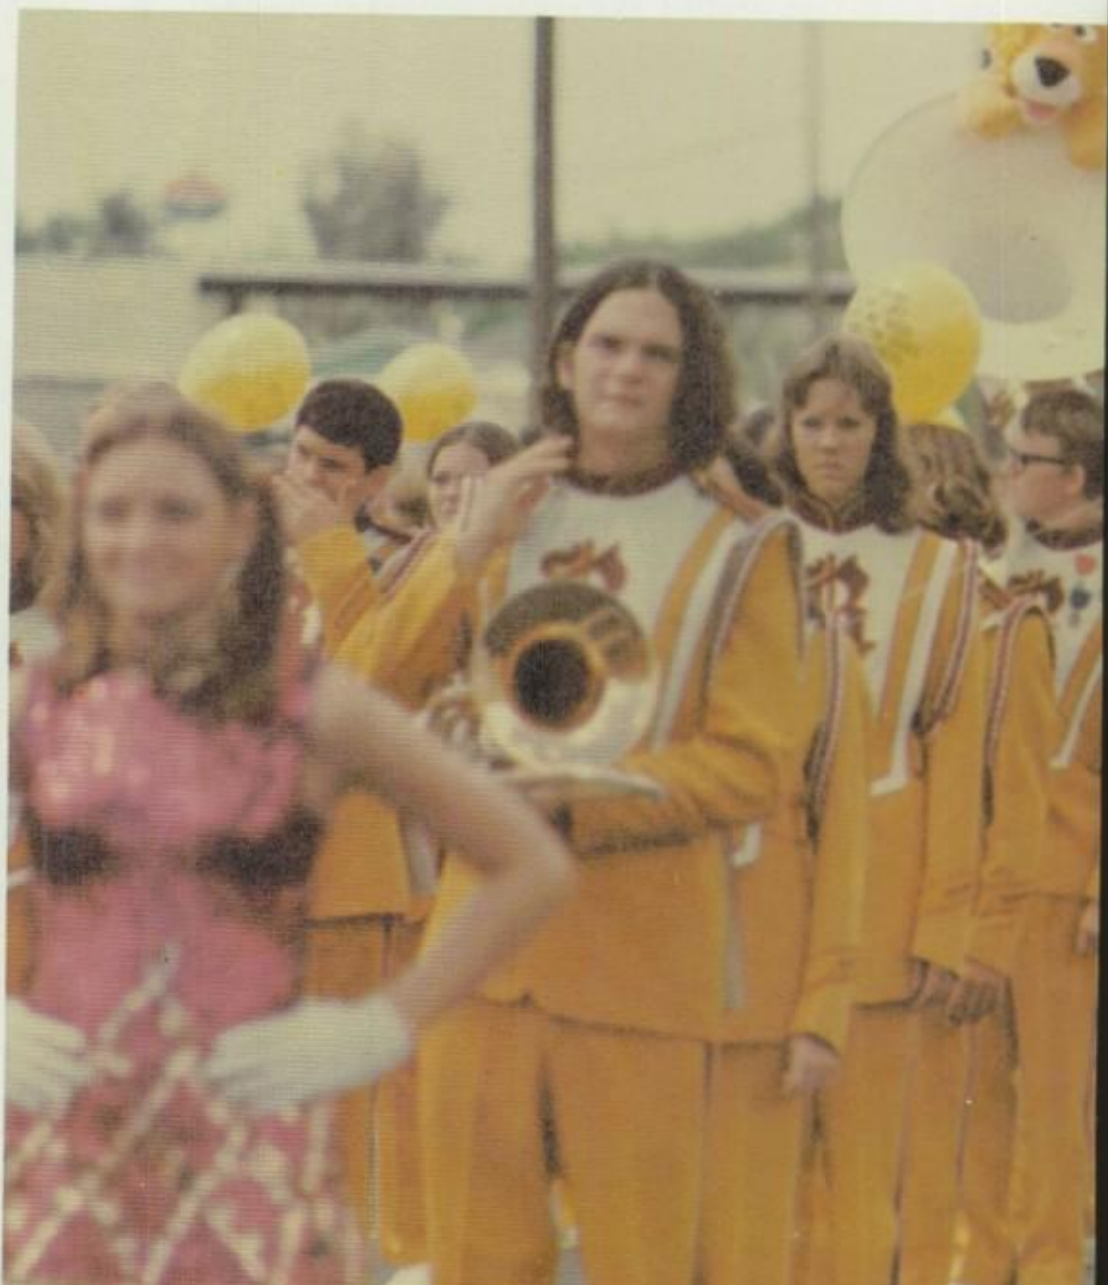

IN ORDER TO PROMOTE A HAPPIER SCHOOL, WE ESTABLISH ACTIVITIES FOR FUN AND FELLOWSHIP, TO GIVE STUDENTS A TIME FOR THEMSELVES TO ENJOY THEIR SCHOOL YEAR.

RIVERDALE ON PARADE

The Riverdale Raiders started the first week of school with a colorful kick off parade. The parade was a fantastic success and the spirit of the student body was down right great. The Raider Band played the way, the football team drove around and the cheerleaders got things going. The parade is going to be an annual event and when it Kicks Off next year it will be bigger and better.

TIMES TOGETHER . . . TIMES TO REMEMBER

Good Times in school we all shared, we voted together and we had fun together. We walked the halls together and studied and clowned around. Couldn't wait until school let out.

RAIDER COURT

On October 31, the Riverdale Raiders celebrated Homecoming. Sparkling eyes and warm smiles that would melt your heart, is what you saw in the fine selection of the Underclass Court. Beverly Stancel and Sheila Doyle (upper right) represented the Junior Class. Angie Roberts and Lisa Williams (lower left) were picked for the Sophomores. Linda Molloy and Pam Sharp (lower right) were selected for the Freshman Class.

RAIDER WEEK

On clash day we all wore hats, that looked out of sight. Masquerade day was something else. Then we all saluted our ancestors and it really looked great; We got out mom's and pa's clothes for the 50's celebration and finally garnet and gold day made the week complete. Enthusiastic . . . That's what it takes to have a great Homecoming Week.

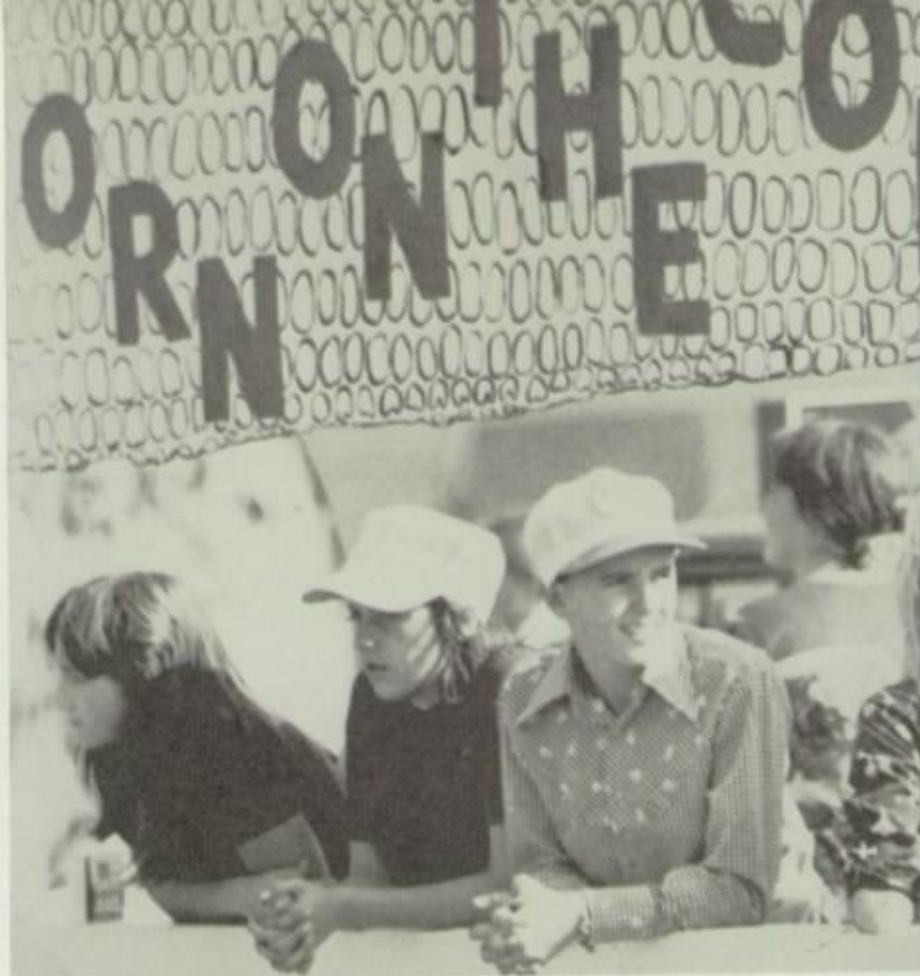

GET GOING

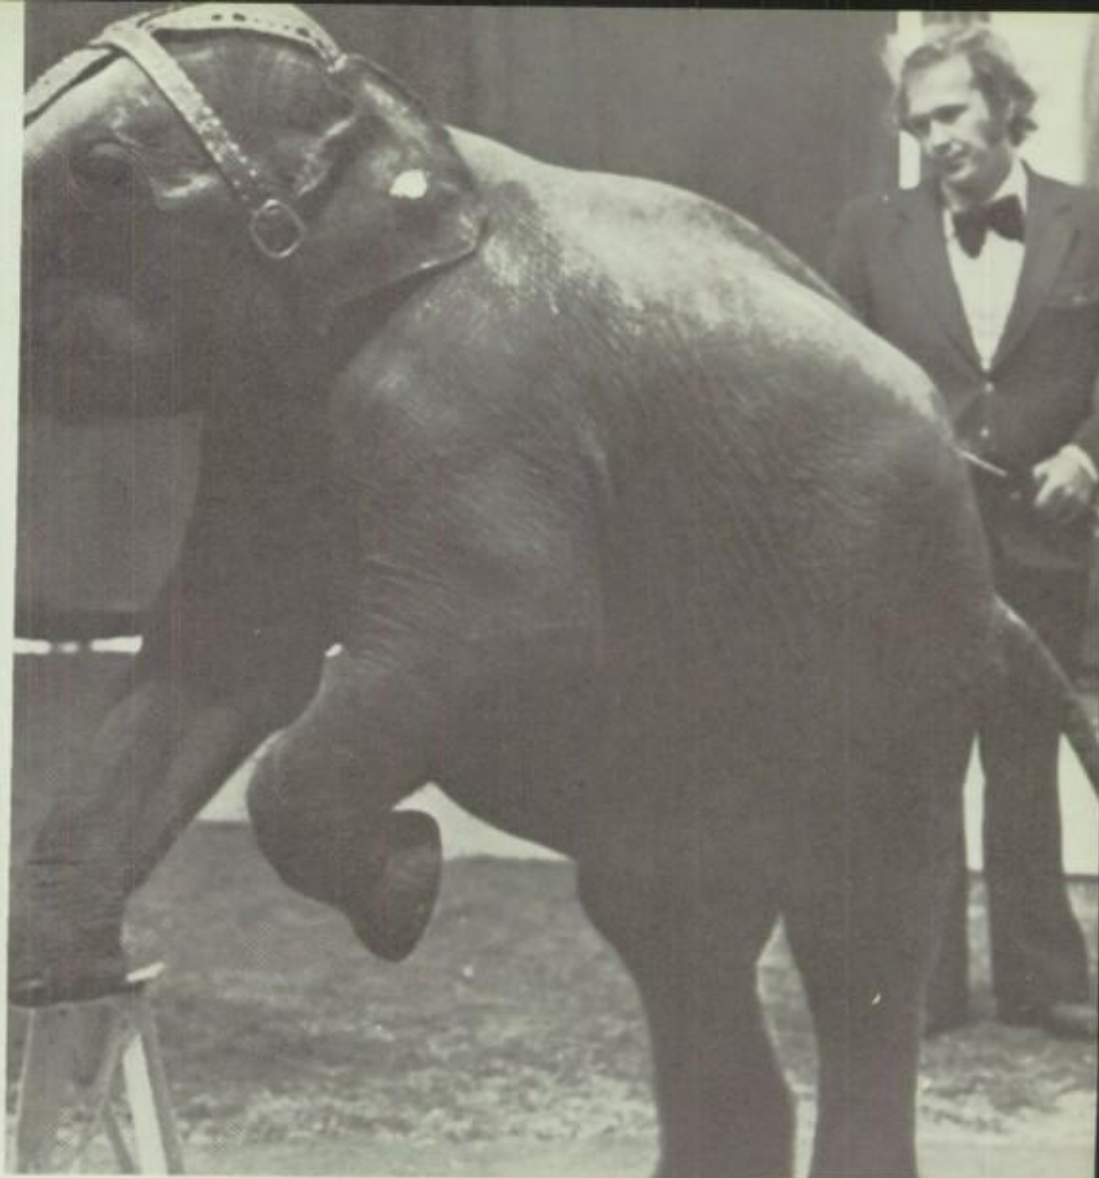

Your team gets down and there you are, you gotta pick yourself up cause you're going far. Get Going. Hey! Get Going. You're almost there don't you give up now you gotta win this game you gotta show em how. Get Going. Hey! Get Going.

The beginning of December saw both a Winter Wing Ding sponsored by the Band, and Circus sponsored by the Orchestra. The month was filled with excitement and food. Also during the month, Drama put on their play the "Miracle Worker."

Merry Christmas

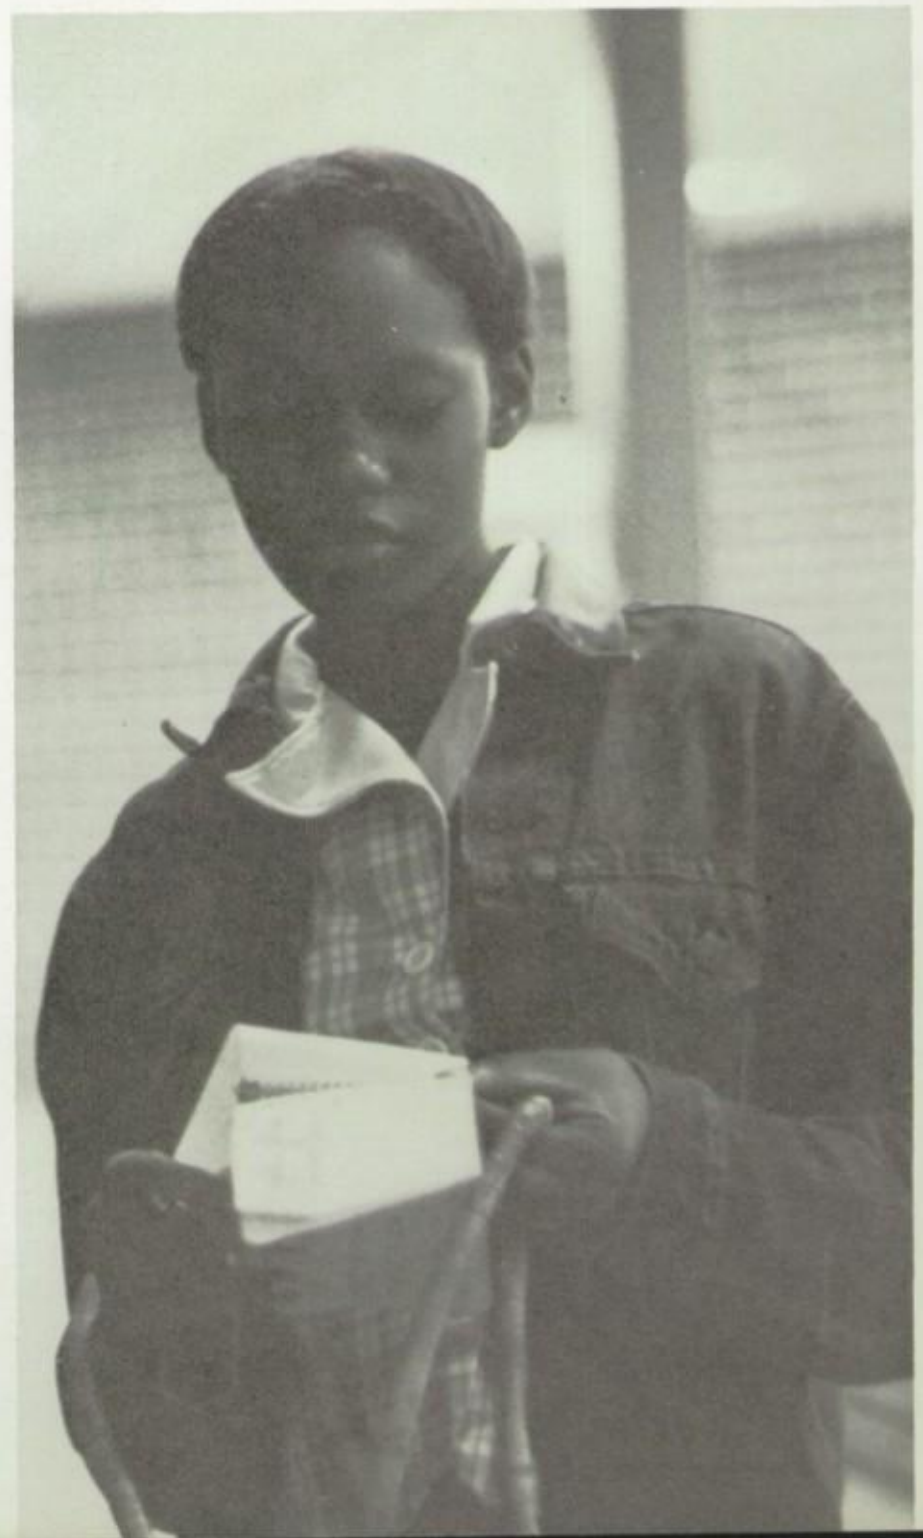

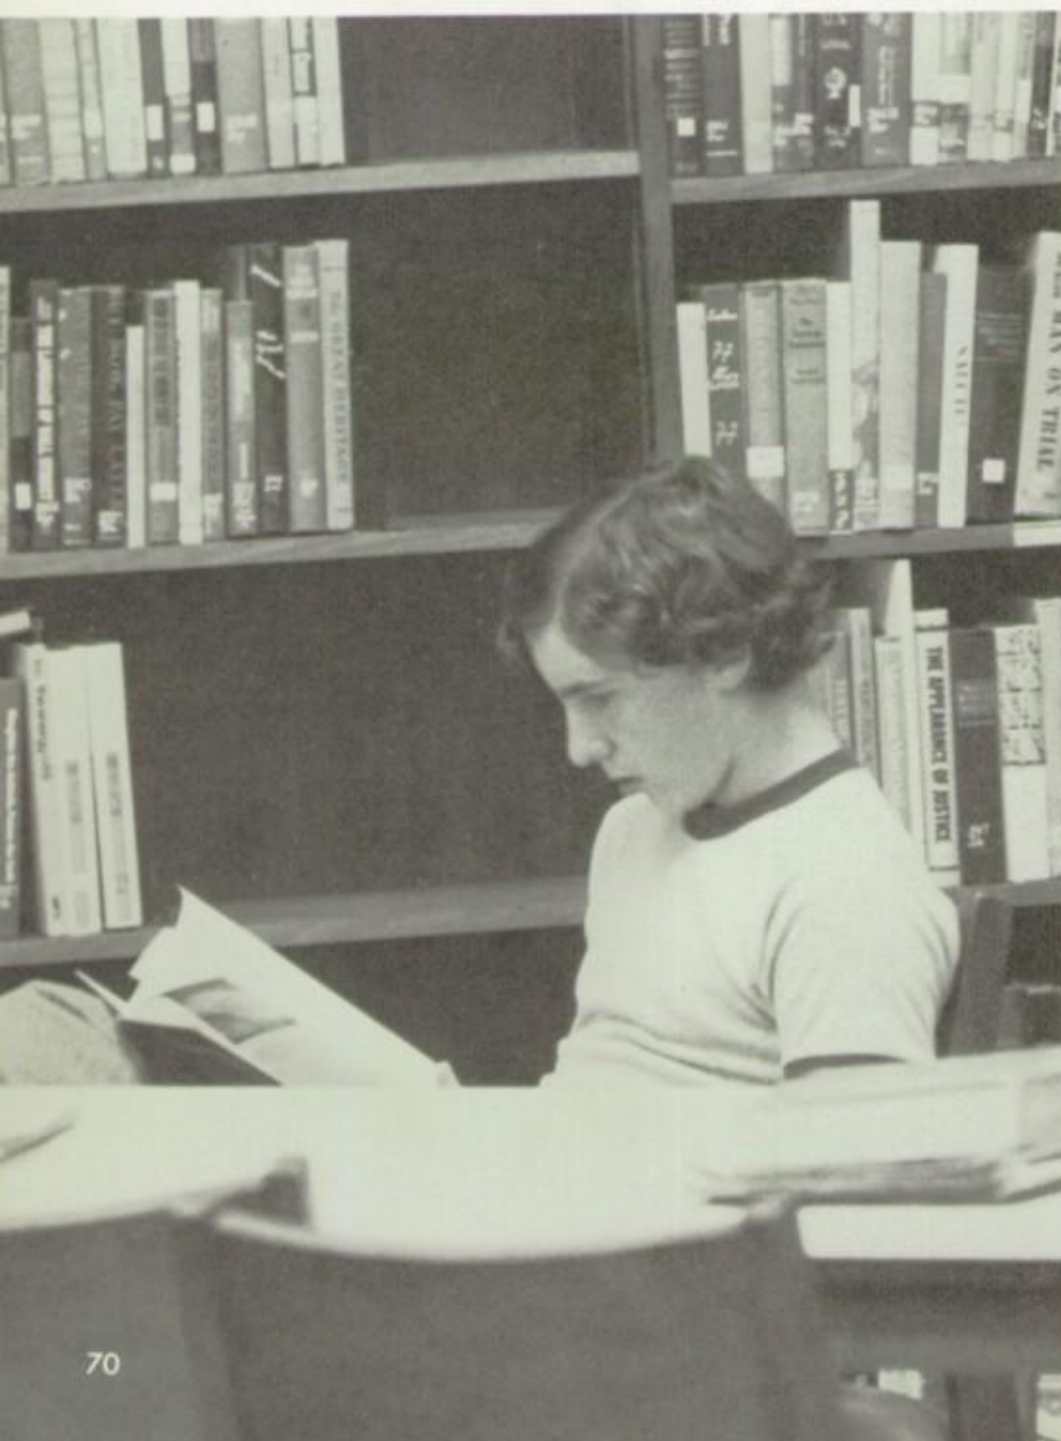

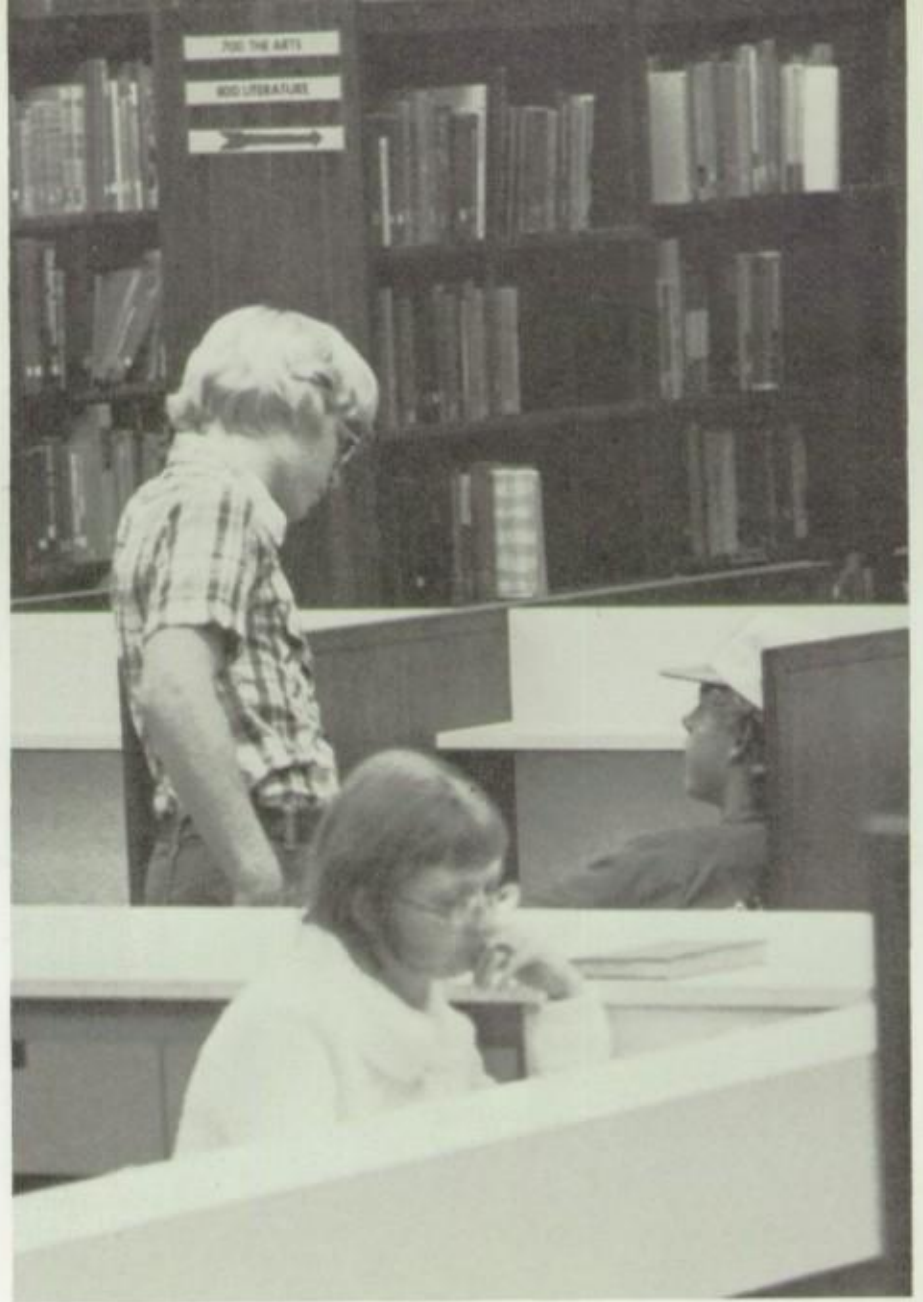

CHRISTMAS CELEBRATION

Riverdale students celebrated the joyful time of Christmas in many different ways. Some students showed their creativity, while others sang to help share the spirit of Christmas. Some students went to Gatlinburg to see some snow and cold weather which made their season bright.

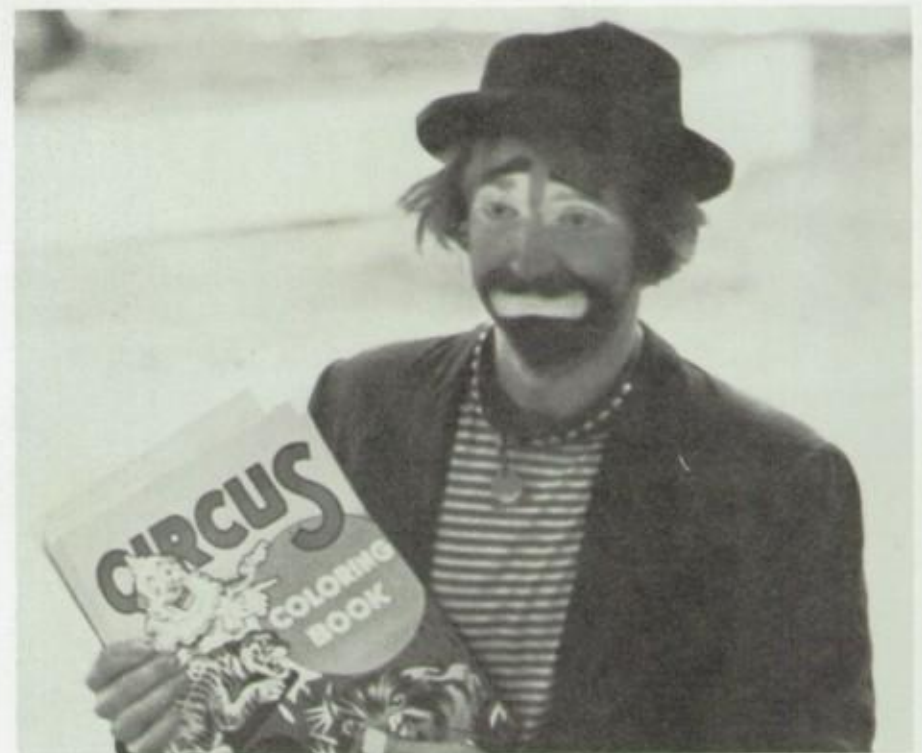

SECOND SEMESTER BLUES

Second Semester changes were made. We lost our old friends, but we met new ones. The Good Times at lunch changed and we had to get new eating companions. We had to pass our exams and those who didn't started making excuses. We dug in, and waited forever for spring break.

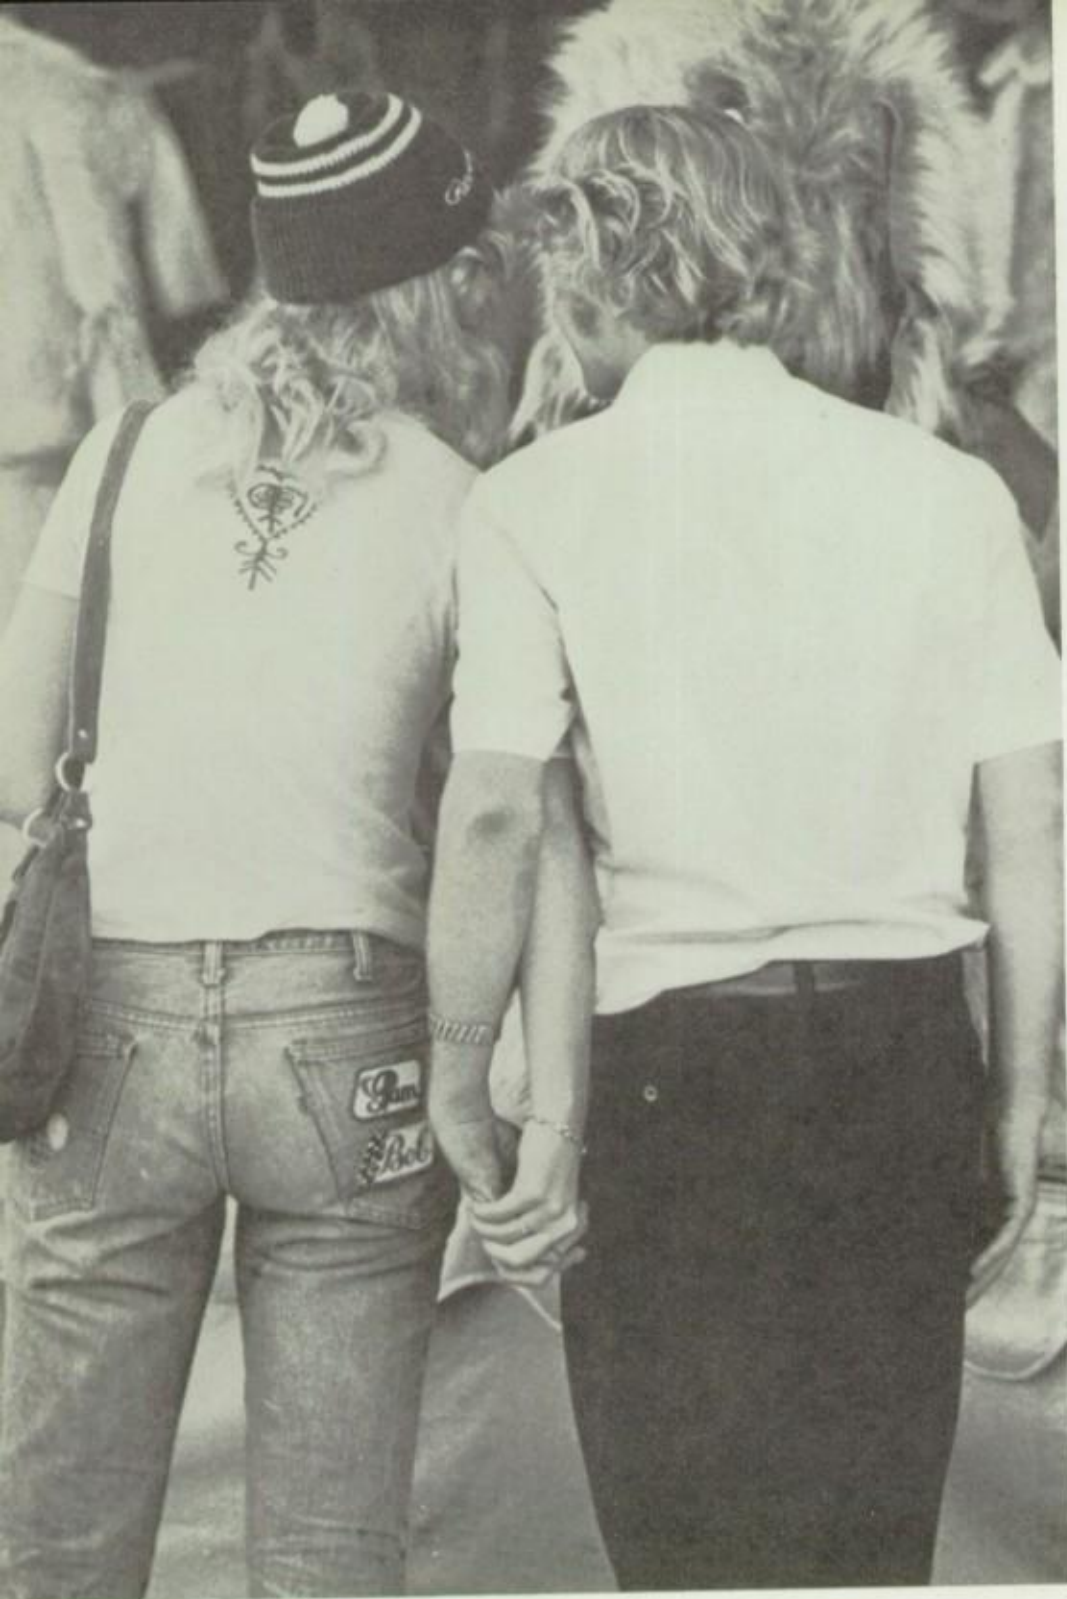

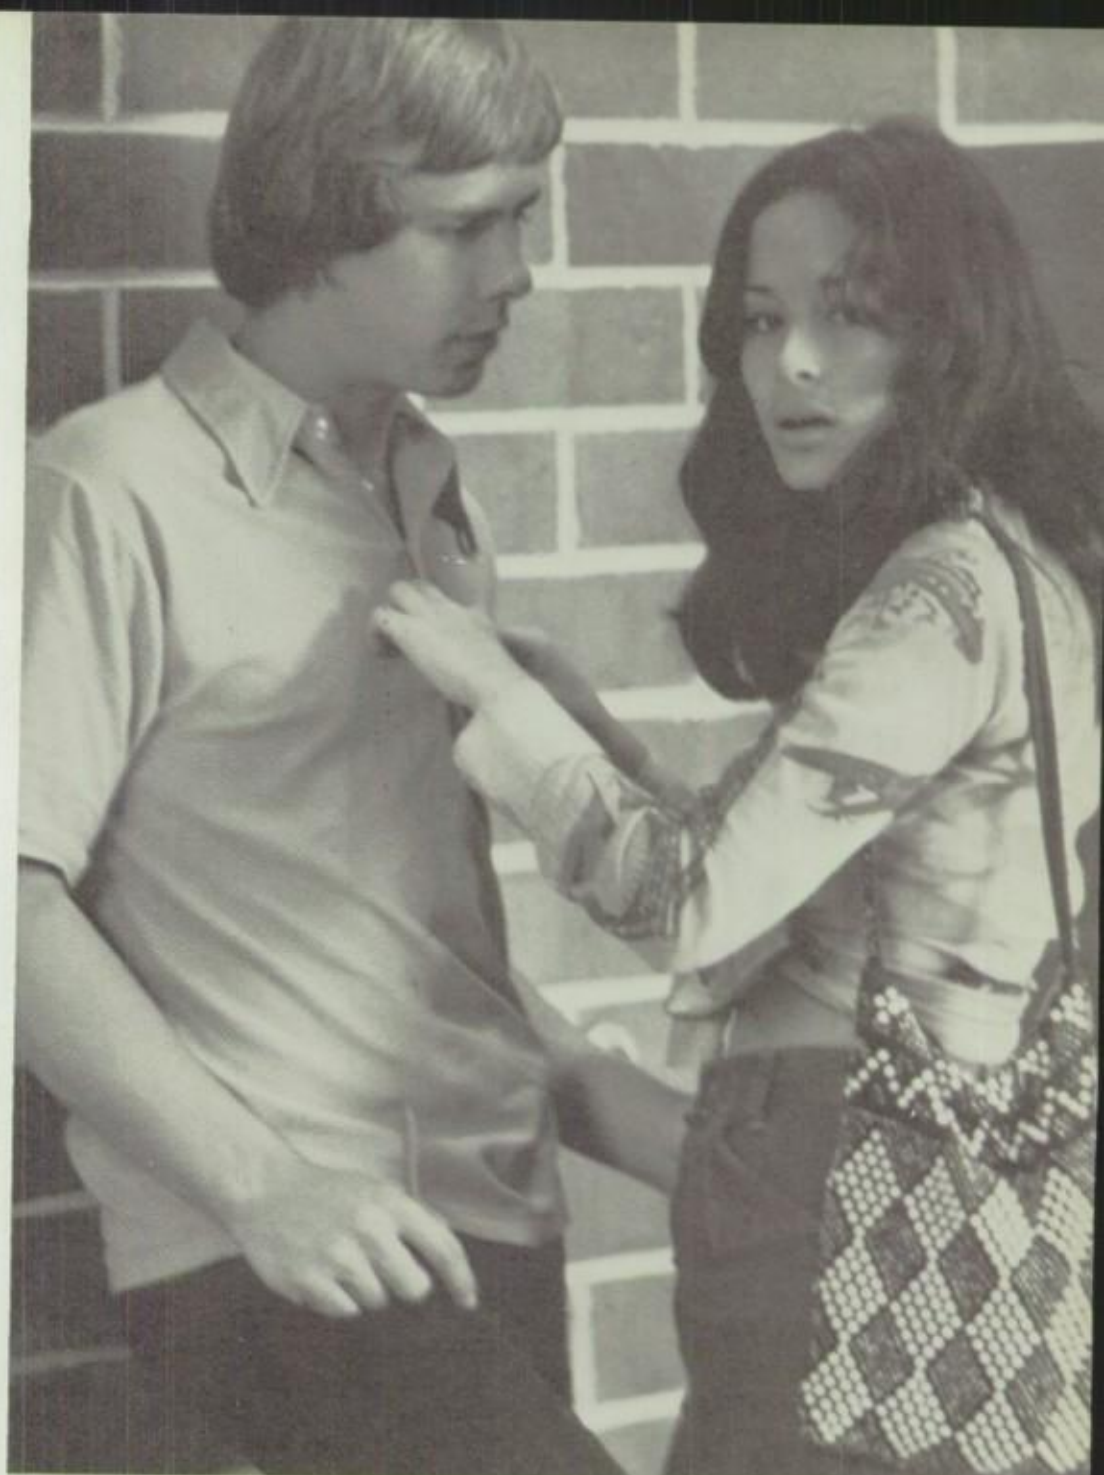

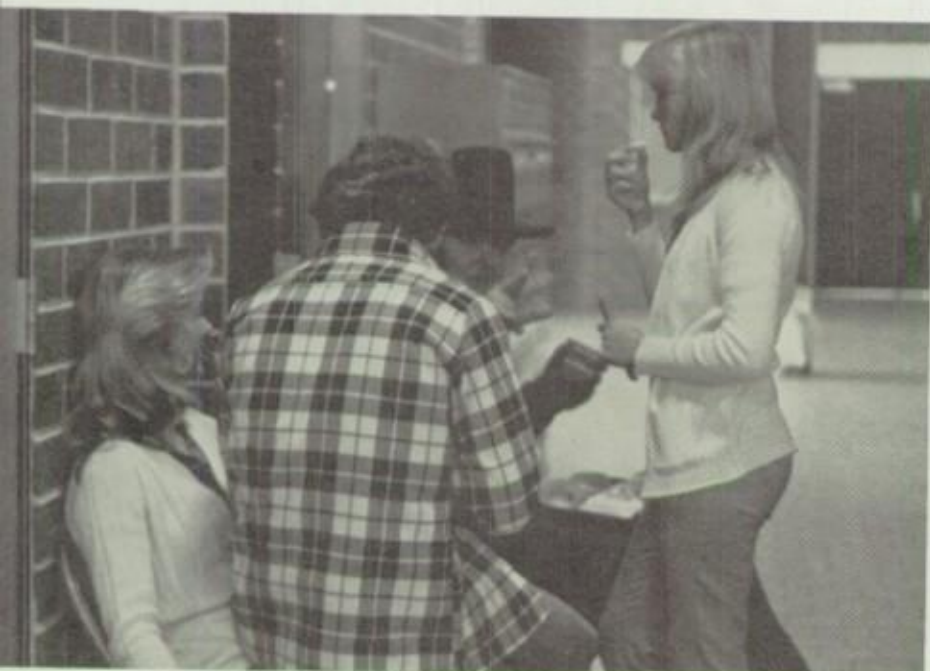

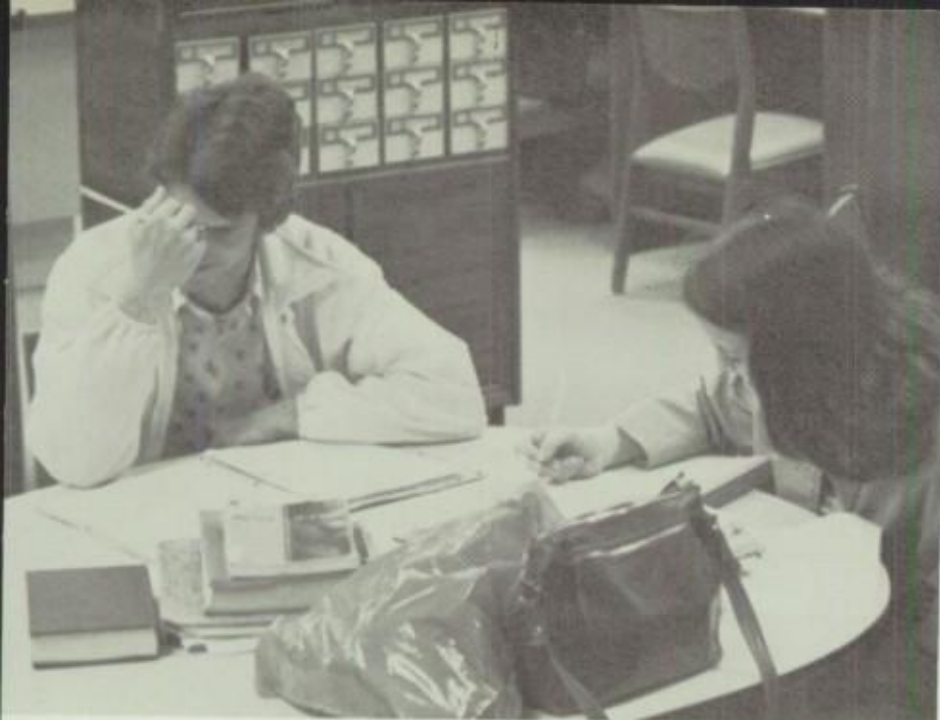

FLORIDA FAIR

Riverdale students enjoyed the Southwest Florida Fair while it was here during the end of January. It gave students something to do outside of classroom work. The week long fair emptied the pockets of many students but they all enjoyed the Good Times.

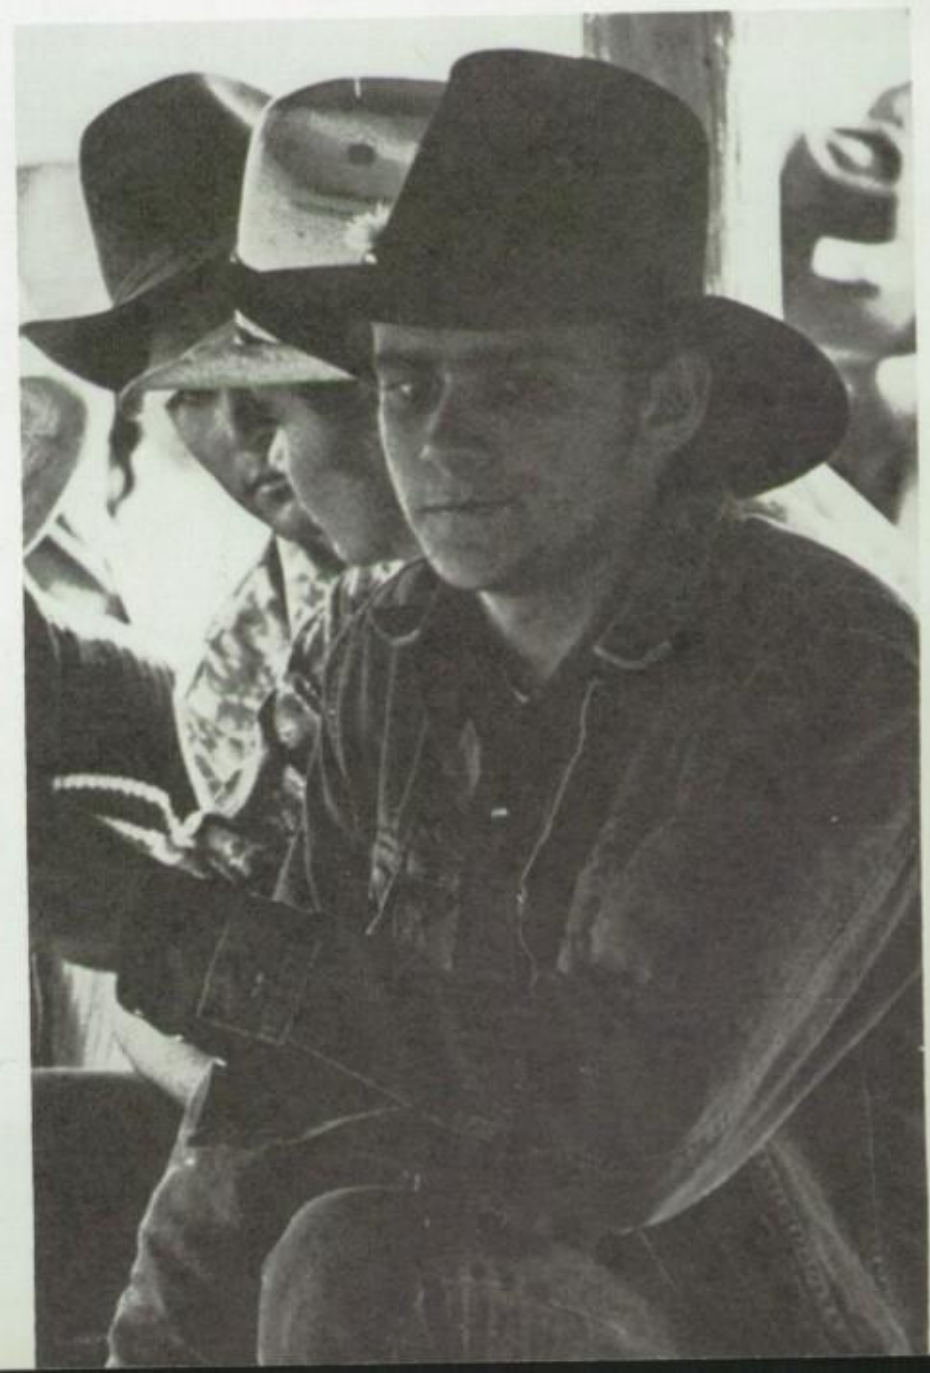

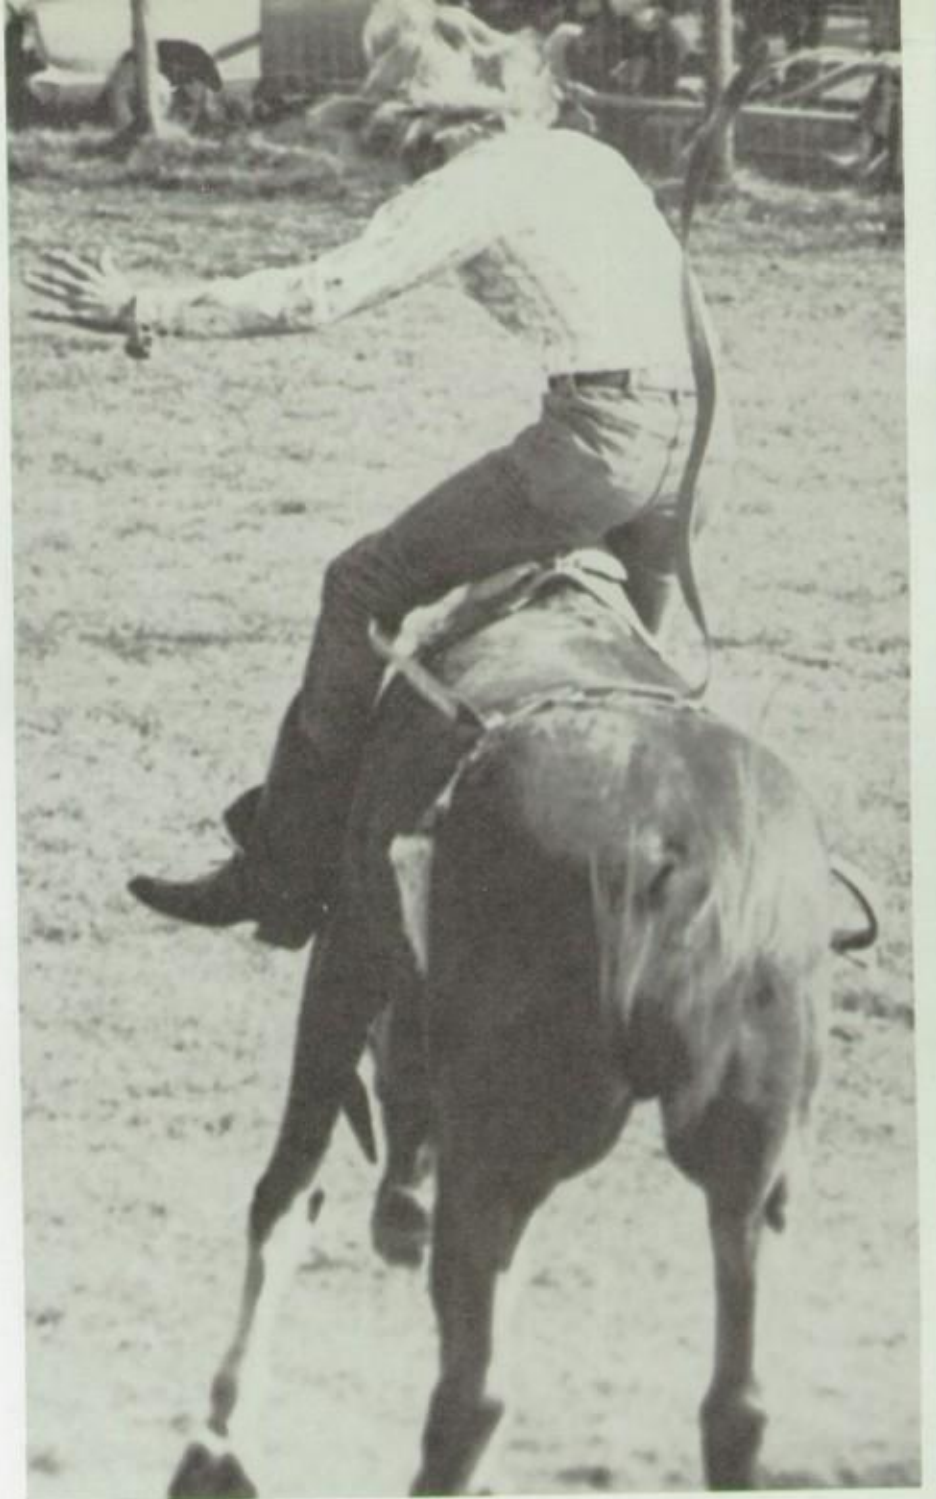

LOVE, LOVE WILL KEEP US TOGETHER ...

Think of me babe whenever, some sweet talkin girl comes along, singing a song, Don't mess around, you just gotta be strong. Stop, cause I really love you, stop, I'll be thinking of you, Look in my heart and let love keep us together.

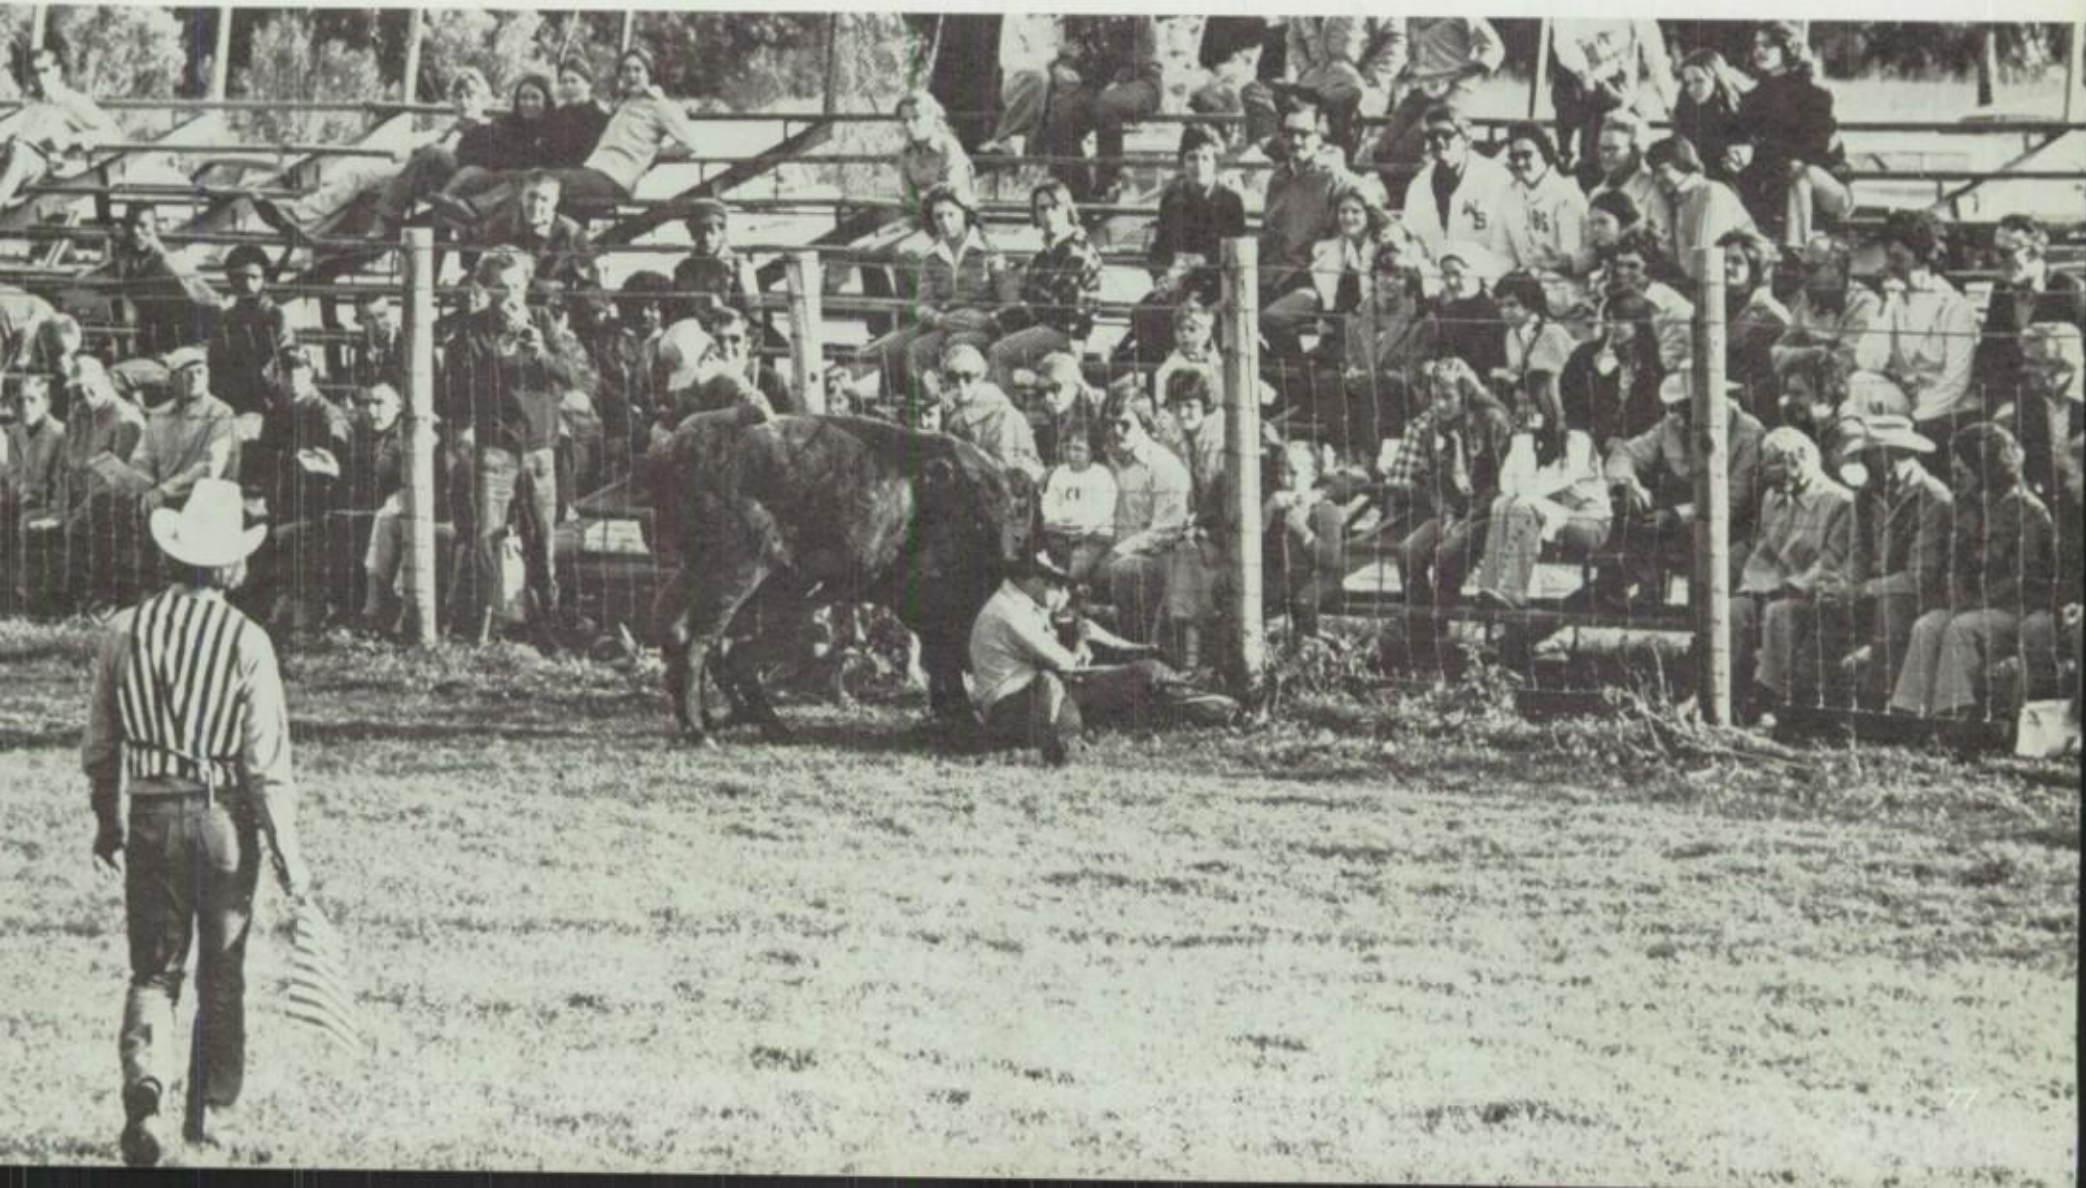

LIKE A RHINESTONE COWBOY ...

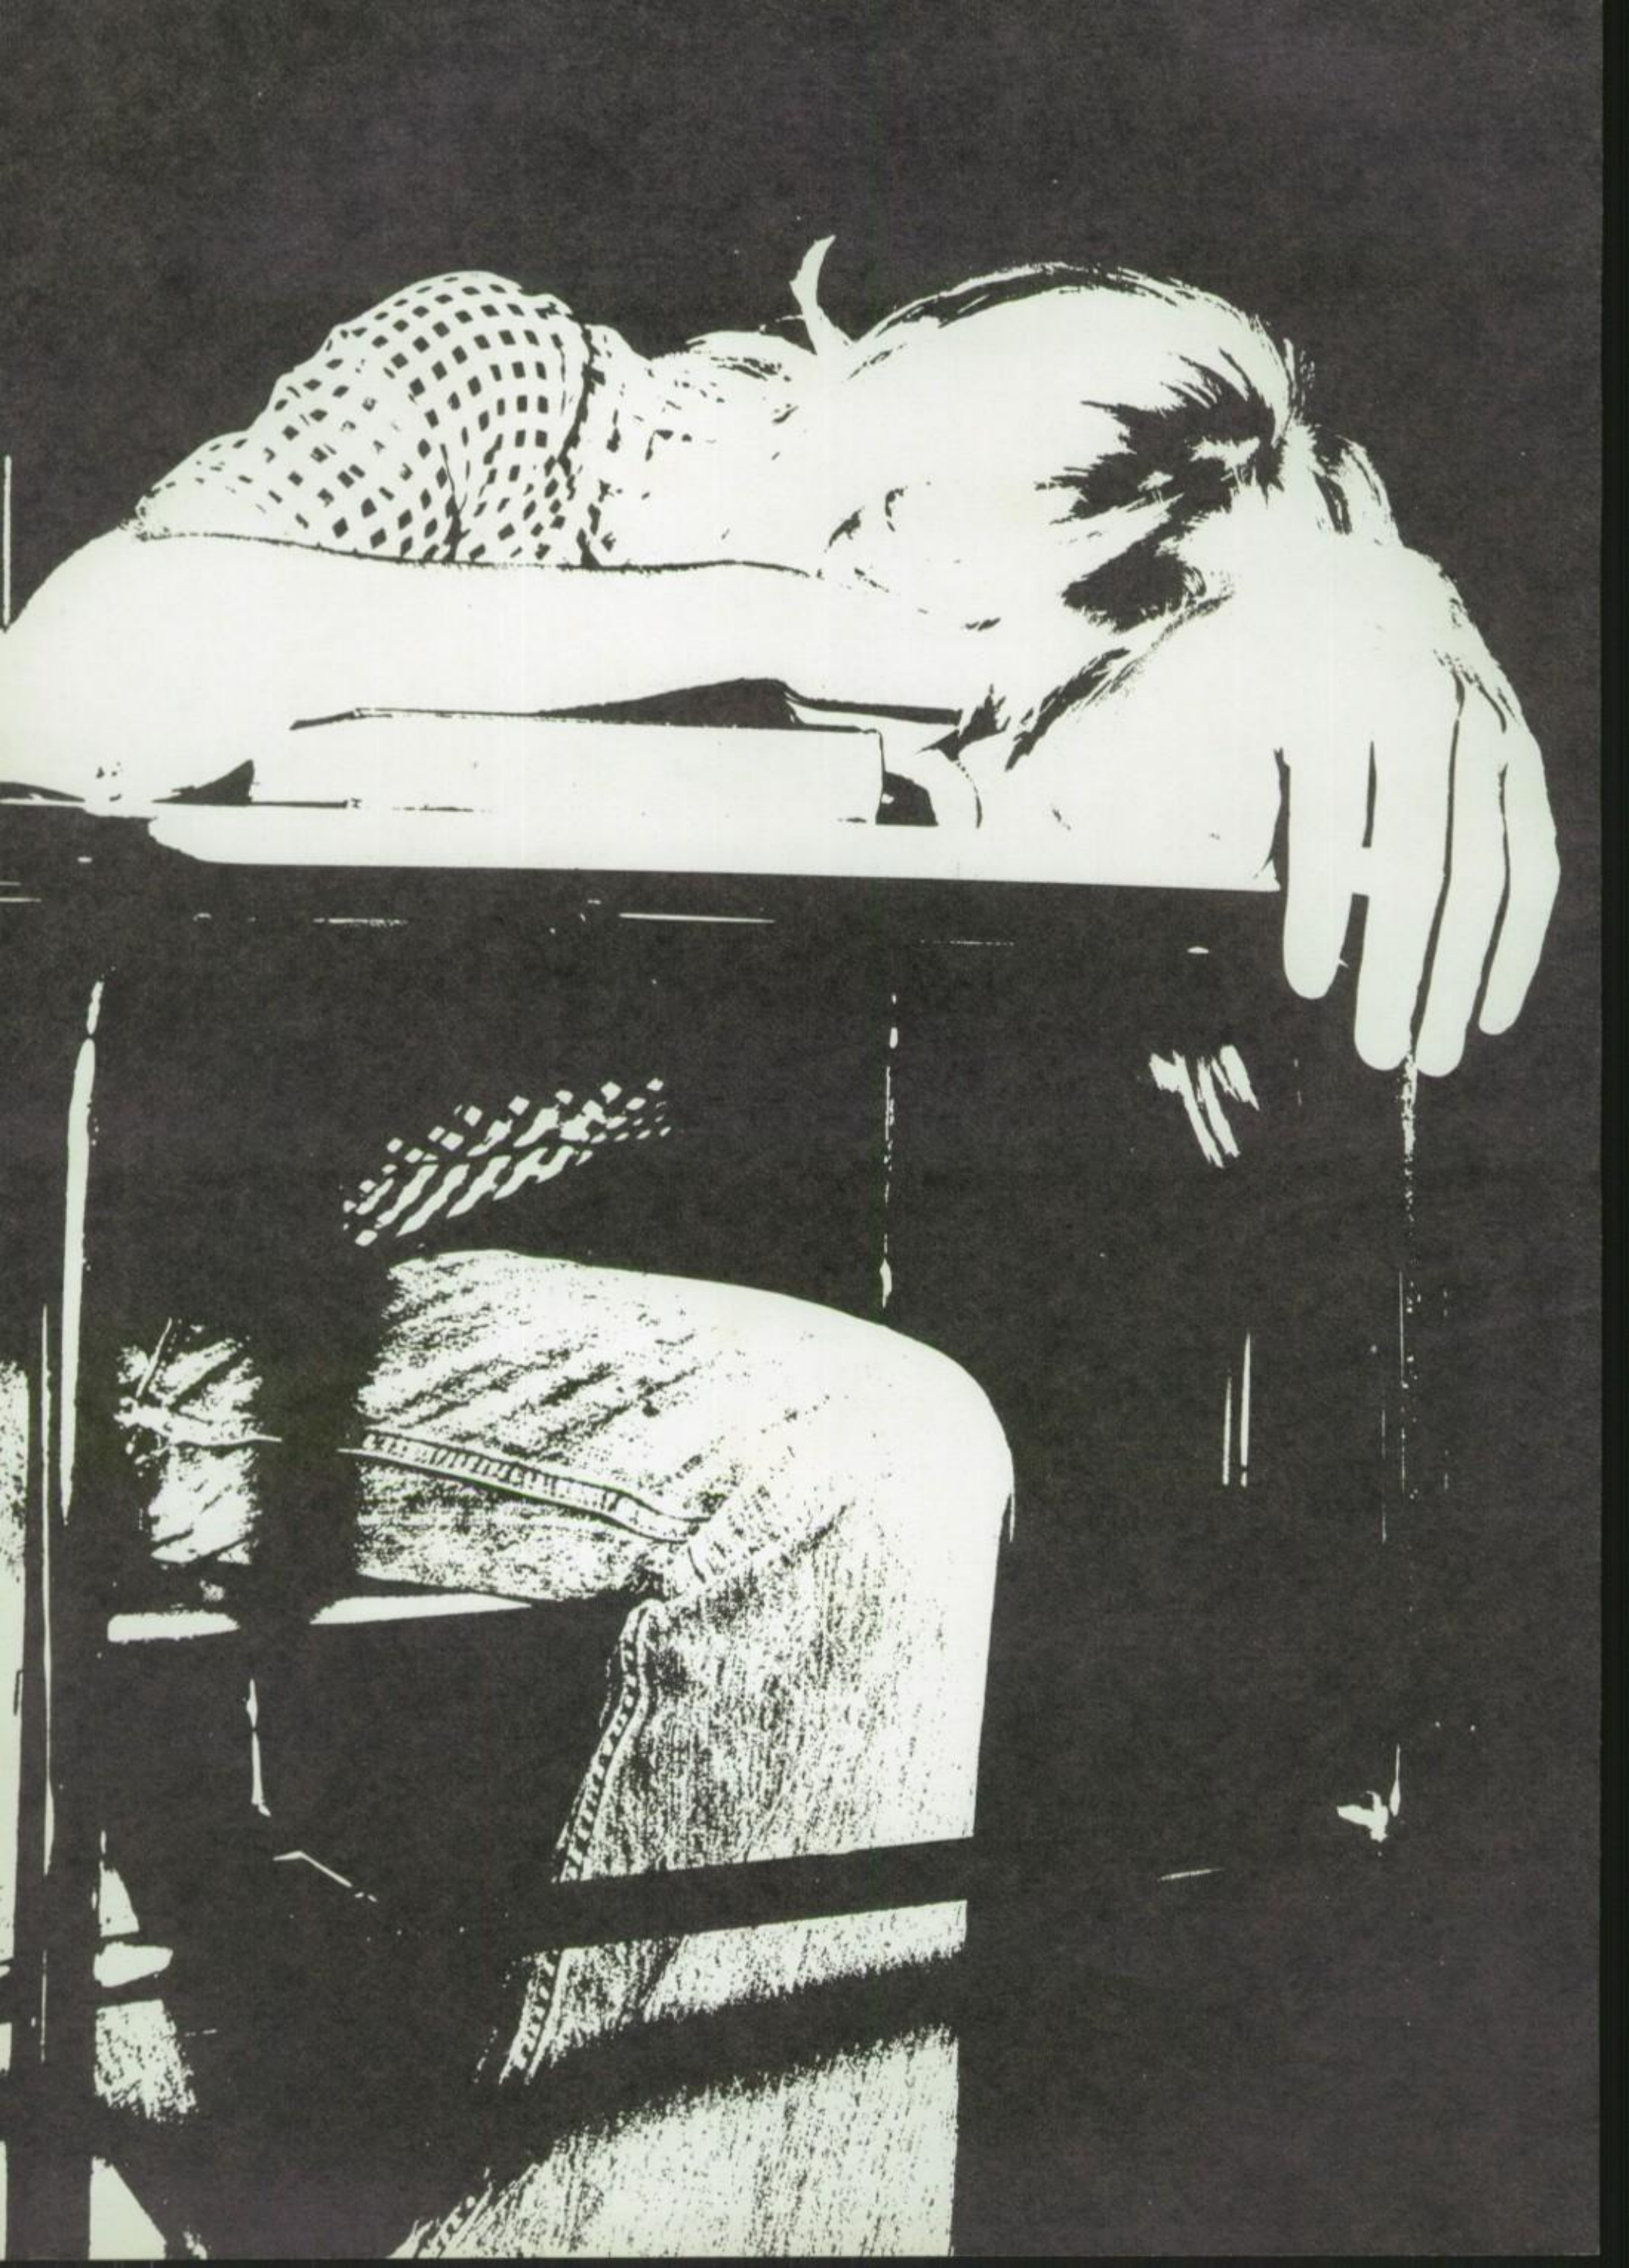

riding out on a horse in a star-spangled rodeo. Like a rhinestone cowboy getting cards and letters from people I don't even know, and offers coming over the phone.

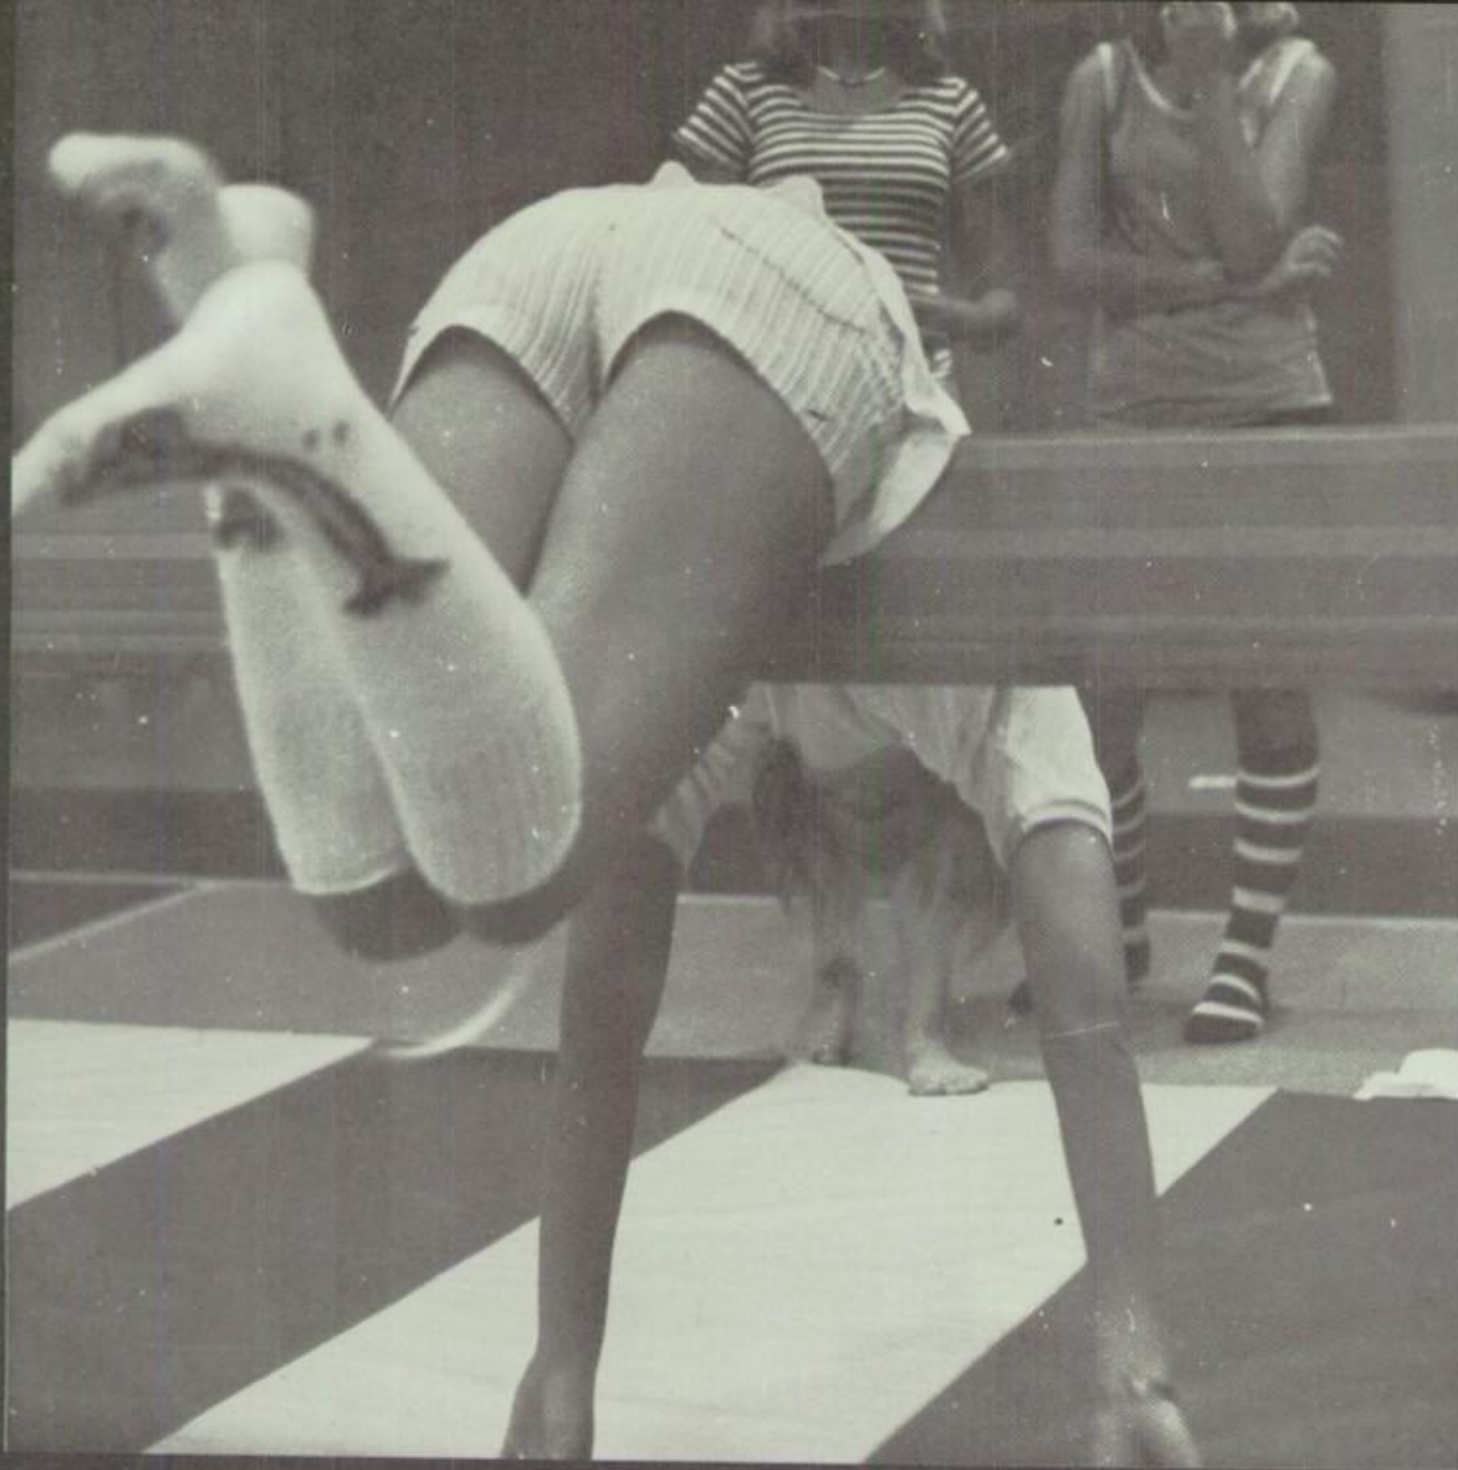

April and May the months of spring when everything goes just right. Students enjoy the weather and nature grows wild. Then June comes and Riverdale's Seniors graduate and the Good Times come to an end.

WE THE ROOKIES

IN ORDER TO FORM A MORE PERFECT SCHOOL, ESTABLISH HARMONY BETWEEN CLASSMATES AND TEACHERS, INSURE SCHOOL SPIRIT, PROVIDE LEADERSHIP FOR THE COMING YEARS, PROMOTE A BETTER UNDERSTANDING FOR OUR FUTURE AND SECURE THE BLESSINGS OF LIBERTY TO OURSELVES AND OUR CLASSMATES.

“GET ON THE GOOD FOOT”

The '75 Raiders started on the wrong foot . . . and never recovered! Head Coach Charlie Casey's young team can only hope next year's team will be better. The bright spots of the season were the performances of senior running back Greg Forkey, senior quarterback Rick Hendrix, and senior all-conference defensive tackle, Mike Padilla. Hopes are bright for next year, however, for the JV's and Freshman teams both had encouraging seasons.

This year the Raiders hope to rebuild and work toward making the team better in all areas of performance.

"TAKE DOWN, GET IT! GET IT!"

The Raider Grapplers had a young team with only four returning Seniors — Mark Blair, Gary Byrd, Ray Cunningham, and Mark Stuber. The young team, many never wrestling before, fought a hard, losing battle, but gained lots of experience under the leadership of Lee Langley. Next year's team looks promising with outstanding underclassmen, David Lippke, Ed Fullon, and Mike Lippke.

HEY-BATTER-BATTER-SWING

This season was a real test for the coaching staff of the Raider Varsity Baseball team, with only Glenn Black, Glen Brock, and Rick Hendrix returning from last year. The team was encouraged by Bruce Armstrong, C. P. Davis, Ed Hendrix, Robert Johnson, and Keith Saylor who moved up from the 1974 J.V. team. Terry Park roared as Ace Pitcher Rick Hendrix fired it past the batter again and again; Center fielder Glen Brock made some great catches and Short Stop Keith Saylor made some outstanding plays.

Let the Army help you with college.

Last year, 90,000 young people like yourself earned college credits in the Army.

They attended classes on post. They studied at nearby colleges and universities. And they took courses through our various correspondence programs. And the Army paid for up to 75% of their tuition costs.

And after your enlistment's over, you're entitled to 36 months financial assistance at colleges throughout the country.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, see or call your local Army Representative.

IF YOU DON'T KNOW WHY CONTINUING YOUR EDUCATION IS A GOOD IDEA, MAYBE YOU HAVEN'T BEEN LOOKING FOR A JOB LATELY.

The Air Force knows the more schooling you have, the more valuable you are to an employer, whether he's hiring for new jobs, or considering promotions.

The Air Force also is aware of the high costs and the sometimes difficult entrance exams required to continue your education. So we created the Community College of the Air Force in 1972. An opportunity for all men and women enrolled in the Air Force to continue their education. Free. We offer over 80 curriculum majors in specialized fields. And for those who wish to continue their academic studies further, we can pay up to 75% of the tuition at an accredited college or university while you're in the Air Force.

The Air Force recognizes that not everyone is interested in an academic career, so we offer training and practical experience in over 250 different career-oriented vocations. They work well. In or out of the service.

Graduate to the Air Force. And use us to get a headstart on your own career.

Contact your local Air Force representative for more details. Whether you're interested in meteorology or metalworking, carpentry, computers, or communications, he's got something for your future.

WITH MANY THANKS . . .

The 1976 Eastwind staff would like to thank Al Fisher and Bryn Alan Studio's for their excellent photography that helped to make our yearbook no. 1. We would also like to thank Ron Binns, Taylor's Representative. And many thanks to Tracy Carlsen, Tom Gresham, and Sharon Nevitt for taking endless candid, to Donna Morrissey and Rita Hardin for their many hours in the dark room, to Belinda Allen, Glenn Black, Kim Daniels, Mike Padilla for selling the most ads, to Kim Wickline and Sarah Moreland for their hard work to make a great ad section, to the teachers and Administration for their tolerance of students popping in and out of classes taking pictures, to Mrs. Marsh for lending us her stage to take Senior, Underclass, and Cap and Gown pictures, to Florida Power and Light for supplying a boom truck to take the Senior class picture, to the Advertisers who without their help our 1976 yearbook would never have been possible, and last but by no means least Our Many Thanks to Mrs. Schwnates who has been the one to bring it all together.
